## ARIZONA DEPARTMENT OF TRANSPORTATION

### **Carr Canyon Road to Hunter Canyon Sierra Vista – Bisbee Highway Traffic Alert**

**Feb. 6, 2009**

**For Immediate Release**

#### **Traffic Restrictions SR 92 from Feb. 9 – 13, 2009**

The Arizona Department of Transportation (ADOT) is scheduling the following restrictions as part of the SR 92 Widening project Carr Canyon Road to Hunter Canyon.

#### **Carr Canyon Road to Hunter Canyon Eastbound and Westbound Hwy. 92**

- From Monday, Feb. 9, through Friday, Feb. 13, construction crews will continue building box culverts, installing drainage pipe and clearing the roadsides in preparation for the widening construction. Please observe all traffic control signs and remain alert for construction personnel, flaggers and equipment.

Please note that by State and County statutes, bicycles may use the travel lanes in a roadway, and bicyclists have the same rights and responsibilities as drivers of motor vehicles. For the safety of the public and construction personnel, the shoulder of the roadway will be closed. To avoid these road restrictions, bicyclists may wish to access alternative routes to Hwy. 92.

For the safety of the traveling public and construction personnel during roadway construction, ADOT occasionally restricts travel in, and access to, roadways, sidewalks, river washes or linear trails. ADOT requests that the public traveling or engaging in recreational activities in these areas obey all signs and detour routes, and remain alert for construction personnel, equipment and law-enforcement officers. ADOT makes every effort to minimize the duration and impact of these restrictions, and thanks motorists, pedestrians, equestrians and bicyclists in advance for their cooperation.
